MATTER _____

Robert C. Alexander, Esq.,
Assistant Chief,
Visa Division,
State Department,
Washington, D.C.

Dear Bob:

Your letter of December 3 tells me that Teller in Zurich has been given a green light in the Gisevius case. However, the information I have received from Zurich is to the general effect that if Teller has the green light, he doesn't know it and insists that he has had no word from Washington. Could you look into this matter again and see what the facts are, particularly as I understand that the pending litigation has now been concluded.

As you know, my only interest in this matter is that this particular man rendered us very great services during the war and it seems rather ungrateful that we should close our doors to him.

Faithfully,

A. W. Dulles
